PRESIDENT'S MESSAGE

Are you ready for autumn? That's a silly question after the summer we have endured. I wish that we didn't have to hear the "feels like" temperature every few hours. The real temperature is depressing enough, but cooler weather is on the way. Soon it will be 75 degrees and we will be wearing our only pair of jeans and a sweatshirt. Ahh, Florida!

It feels good to get our Activities Club back to a full schedule.

We will not be able to have a Membership Meeting this month as the clubhouse is closed starting Monday, September 11 due to the roof being replaced. It is supposed to take a week but look for an email from management providing updates.

Our Restaurant Night Out is Tuesday, September 26 at 5 pm at Shell's for dinner. This is always such a nice evening and it really doesn't matter where we go. Check the calendar for other events that have been ongoing during the summer.

John Straight is still collecting metal for recycling. He will pick your items at the curb. John donates the funds raised from the sale of the metals to your Activities Club. He is so generous with his time that we don't mind that he almost always wins our 50/50!

We are asking you for ideas of events you would like to see in the upcoming months. We have a new grill thanks to Mary and John Straight so we might want to try it out with a potluck cookout. We have approval from management to have another carport sale. Is there any interest in a Craft Sale where you can show and sell your crafts? How about a Bake Sale with the profits going to the Activities Club? Should we do another cruise? Lots of options for that. Let's hear your thoughts on what you would like to do. Life is short! Let's do stuff!!

One evening a while ago we were having dinner with our daughter and her family. Our grandson had recently learned to say Grace. After the eyeing his least favorite food, lima beans, on the table he folded his hands and closed his eyes tightly and in a quiet voice said Grace. He opened one eye and looked at the lima beans still on the table and said "Well, that didn't work! Let me try that again".

That's all folks!
Sandy Stevens, President
Quail Run Activities Club
